**Please make cheque payable to the OMFPOA and mail to OMFPOA, 53 Maple Avenue, Georgetown, ON L70 1X8
Remember to include a copy of your application form with the cheque.**

COURSE MATERIAL Student manuals will be available on the course start date. You must bring the 2006 Building Code, Volume 1 and Volume 2, and a calculator.

INCIDENTALS - Participants attending these classes will not be provided with meals or accommodation and will not be reimbursed for travel costs.

CANCELLATIONS - OMFPOA will refund up to 70% of the course registration fee providing the request is received in writing 14 days prior to the first day of the course. No refund or credit will be given for cancellations received less than 14 days prior to the first day of class or in the case of no shows. The OMFPOA reserves the right to issue a credit that may be applied to a future course where the cancellation is received within 14 days of the first day of class. A minimum class size is required and students will be notified four weeks prior to start date if course needs to be cancelled.

Important Note: This course is not a MMAH qualification course required by Bill 124. This course is a general technical course relating to fire protection systems and construction requirements for Part 9 buildings. Upon successful completion of the final examination, this course can be used for maintenance of professional certifications and designations.

APPLICATION STATUS - (to be completed by OMFPOA and faxed to participant)

- Confirmed – applicant is approved to attend the course
- Rejected – course is full
