I am pleased to welcome your executives for the coming year: Brian Walsh, Mike Boyle, George Warner, Gary Laframboise, Tony Lippers, John Adema, Chantelle Cosgrove and Eric Chant.

Your executive has been busy on various committees and issues that will have an impact in our roles in Fire Prevention which will be reported at our Annual members meeting and currently we are working on the 52nd Annual training symposium. So mark your calendars June 9th to June 12th 2008.

Thank you for your continued support and all the best in 2008.

Sincerely,
